Looking for enthusiastic persons to volunteer! Every Wednesday evening in August, we are looking for **2 volunteers** per night to help with:

- Hosting/ announcing
- Collection jar for band tips
- Venue setup
- Venue breakdown, closing

Kathy Eld created and developed this fun and family friendly event around the scenic charm of Roseberry and it takes some effort to make it run smooth- so PLEASE consider offering your services and come join the band for a perfect evening under the stars! (Of course, the barn serves as an excellent rainy day venue...)

Upcoming Events in detail...

August 17th, Sunday: Pioneer Picnic

This event has deep roots in Long Valley and keeps the spirit of Roseberry alive! Perhaps this year will offer some new insights into this fascinating period – and it's the people who attend as well as the **VOLUNTEERS** who create and display the theme of this event. Help us put together a well- rounded replica of the pioneer community! The picnic is organized as a **Potluck** – bring a dish at **11 am** to the Barn which will be set up with tables and chairs to receive the food. Look for contests such as **Oldest Woman & Oldest Man**, presentations by local folk and delicious home-cooked delights, while live music transports you to a bygone era. This year, the event features the history of the **Shaw Family**. The actual picnic will be held from **1-4 pm**.

New Programs Manager

Hello Friends and Volunteers of the Long Valley Preservation Society at Historic Roseberry!

First, I'd like to say "thank you" for the many warm welcome wishes that were offered in the first few days as Program Manager for the Long Valley Preservation Society. My goal is to provide the same level of vision, quality management and coordination as Katie did for the past years, so that the programs will continue to grow and evolve along with the community. And I do hope to meet everyone in person as we roll into the height of summer excitement in Long Valley.

Long Valley Preservation Society Volunteer Newsletter
Issue 3, August 2014

At this time, please allow me to tell you a few things about myself. I have lived in McCall for 16 years now and am beginning to feel like a real local! I relocated from Raleigh, North Carolina and fell in love with the beauty of Long Valley, with lake and mountain, big sky, clean air and a personable community to boot. We settled in and found ourselves at home with the casual and kind way that defined the area for us. The last few years have been spent raising two wonderful children, Niles and Kyanne, and nurturing the dream that we all share- to have fulfilling work and enough time to spend enjoying the bounty of our relationships with friends and family.

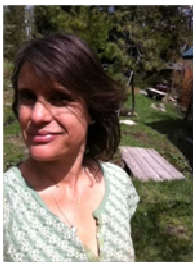

Along with working as Program Manager for the Historic Roseberry Society, I currently am Coordinator at the McCall Senior Center. Fortunately, both positions offer a common inspiration which is to be involved on a more personal level with the needs of the whole-- to give back.

It's easy to get lost in the daily grind, or to get caught up in petty issues that can divide us. Looking deeper, it is the differences that make our societies universally more appealing and healthy.

Diversity compels us to remember our roots, celebrate our traditions, and unite our efforts, for our legacy will be that which our children will preserve and share.

In conclusion, I look forward to meeting the many volunteers and members who have made the Long Valley Preservation Society a notable organization. May this prove to be another successful season for the Society and one that, should I say, will go down in history?

Happy Summer!
