Support Long Valley Preservation Society

Reserve a prominent place for yourself in history by buying a personalized brick paver to be placed in the walkways at The Valley County Museum.

You may purchase a paver in your name or for a child, a friend, a company...or just someone you've always admired for whom you wish to do something special. How about purchasing a paver in a loved one's memory? Personalized pavers make unique Birthday, Valentine or Holiday gifts for friends and relatives. Your support of the Long Valley Preservation Society is needed to help in the restoration of the Valley County Museum pathways..

The cost of a personalized 4x8 paver with up to three lines of text starts at $45.00, an 8x8 personalized paver with up to six lines of text is $90.00. Filler in the engraved area will provide a permanent contrast and protect the quality of the engraving. Each line accommodates up to 15 spaces (including characters, punctuation, dashes, ampersands, and symbols). An acknowledgement letter indicating what will be engraved on the paver will be mailed to the purchaser. Please fill out the order form below, enclose your check or money order and return to:
